LAS683: LANDSCAPE AND HUMAN CULTURE

Course Name (English)	LANDSCAPE AND HUMAN CULTURE APPROVED	
Course Code	LAS683	
MQF Credit	2	
Course Description	The course is designed to develop and deepen understanding of the cultural dimension of the term landscape, more than just a technical term used by landscape architect, planners and designers. It exposes theories, methods, techniques, and approaches to understand landscape as an imprint of human activities on land over time and how it endears cultural meanings and values. It highlights and reviews significant cultural landscapes to illustrate theories and concepts.	
Transferable Skills	n/a	
Teaching Methodologies	Lectures, Discussion	
CLO	CLO1 Discuss landscape as a product of culture that portrays the biography of human culture. CLO2 Explain the designed landscape as a shaper of landscape and human culture.
