Arabic Debate Days

Persatuan Bahasa Arab Komunikasi (PEBAKOM) society organised the 'Arabic Debate Days' programme on 13th and 14th September 2022. This programme was conducted online for 2 days where students from UiTM and other universities took part in this debate, which made this programme even more merrier and competitive. The objective of this programme was to polish students to be well-argued, skilled, and confident in speaking. One of the activities carried out in this program was the Arabic Debate Workshop which featured a guest speaker, Muhamad Afiq Arsyad Awang@Tarmiz, who is a student from USIM. LG242 Arabic Quiz Competition was also held. The organisation of this programme highlighted the importance of having a culture of communication through scientific discussions. This is in line with the university's goal of polishing the talents and potential of students.
