### **Abstract**

This report is about my private and professional experiences during my 8-month internship at the Royal Malaysia Police Headquarters, Bukit Aman, Kuala Lumpur for Record Management of University Teknologi Mara, Segamat Johor.

**Acknowledgement**

The internship opportunity I had with Royal Malaysia Police (RMP) was a great chance for learning and professional development. Therefore, I consider myself as a very lucky individual as I was provided with an opportunity to be a part of it. I am also grateful for having a chance to meet so many wonderful people and professionals who led me through this internship period.

I also would like to thank my supervisors both from the university Mr. Asyraf and field supervisors Mdm. Norazita as well as Central Registry staff for the good cooperation they had with me during the training period.
