## CHAPTER 1: INTRODUCTION

### 1.1 Background of the Organization

#### 1.1.1 Faculty of Medicine UiTM Background

Faculty of Medicine UiTM began with a modest intake of 20 students in 2003. Today, the faculty has expanded rapidly to accommodate an intake of over 200 students per year. These medical campuses are located at Sungai Buloh and Selayang. The first three years of undergraduate teaching is conducted at Sungai Buloh campus with the year 3 clinical students attached to Sungai Buloh hospital. The clinical year 4 and 5 undergraduate students are based in Selayang campus and attached to Selayang Hospital.

The faculty is equipped with research facilities including an Institute for Molecular Medical Biotechnology (IMMB), Centre for Translational Research and Epidemiology (CentRE) and Centre for Pathology and Diagnostic Research Laboratory (CPDRL). Specialist clinic services are operating at UiTM Specialist Clinic Selayang. Outpatient and inpatient services are operating at Clinical Training Centre (CTC) Sungai Buloh Campus.

#### 1.1.2 Vision of the Faculty of Medicine

To be an esteemed centre to produce highly-motivated and accomplished medical professionals practicing holistic medicine, enabling them to lead the medical profession and to influence the medical practice worldwide.

#### 1.1.3 Mission of the Faculty of Medicine

To be centre of excellence:

- For undergraduate and postgraduate specialist/higher specialist training in medicine.
