

Kejohanan Sukan Antara Fakulti (INTERFAC) 2024

By: Siti Nur Haziqah Binti Md Jariman and Dr. Aisyah Hasyila Jahidin

The Kejohanan Sukan Antara Fakulti (INTERFAC) 2024, organised by the Unit Sukan HEP, UiTM Cawangan Selangor, was held from 30 November to 8 December 2024. This vibrant and engaging programme brought together campuses from UiTM Puncak Alam, Puncak Perdana, and Sungai Buloh. Featuring 12 diverse sports in both physical and online formats, the competition provided students with opportunities to compete individually, in pairs, or as teams. With 184 participants from the Faculty of Pharmacy, the event was a celebration of teamwork, resilience, and excellence.

Students gave their best, demonstrating outstanding sportsmanship and dedication. As a result, the Faculty of Pharmacy achieved notable success, securing a gold medal in chess and a bronze medal in tennis in the men's category. In the women's category, they earned a bronze medal in chess, gold and bronze medals in petanque, and a team silver medal in Basketball 3-on-3.

INTERFAC aimed to create a sporting campus environment that promoted physical fitness, skill development, and community engagement. It also sought to identify potential athletes for university-level competitions like Karnival Sukan Mahasiswa (KARISMA), foster sportsmanship, and strengthen the bond among students and staff. By nurturing leadership and unity, the programme holistically enhances the personal and social growth of its participants.

Beyond the competition, INTERFAC provided a platform for students to connect and unwind and relieve academic stress. By emphasising collaboration and well-being, the programme supported participants in their individual growth while fostering a culture of camaraderie and achievement at UiTM Cawangan Selangor.
