Keywords: *Petroleum Nasional Berhad (PETRONAS), oil & gas, Upstream, Knowledge Management Institutional Capability, MPM Reward Zone*

ACKNOWLEDGEMENT

In advance I'm grateful gratitude to the Almighty Allah SWT because ultimately I can complete this project successfully. The internship opportunity I had with Petroleum Nasional Berhad (PETRONAS) was a great chance for learning and professional development. Therefore, I consider myself as a very lucky individual as I was provided with an opportunity to be a part of it. I am also grateful for having a chance to meet so many wonderful people and professionals who led me through this internship period. Bearing in mind previous I am using this opportunity to express my deepest gratitude and special thanks to the Technical Data Technology Capability (TDTC) staff of PETRONAS who in spite of being extraordinarily busy with her/his duties, took time out to hear, guide and keep me on the correct path and allowing me to carry out my project at their esteemed organization and extending during the training.

I express my deepest thanks to my supervisor Wan Noor Maheran Majidin Executive in Promotional and Branding for taking part in useful decision & giving necessary advices and guidance and arranged all facilities to make life easier. I choose this moment to acknowledge her contribution gratefully. It is my radiant sentiment to place on record my best regards, deepest sense of gratitude to Pn Murni Shariff, Senior Manager of KMIC, Pn Adnawiah Adnan, Manager of KMIC for their careful and precious guidance which were extremely valuable for my study both theoretically and practically. Also goes to my supervisor for the subject IMC690 - Industrial Training, Madam Razifah Binti Othman who gave me all the knowledge that she had to me and gave me her guidance to complete the project. Thank you once again infinite at the instigation of her and we truly appreciate it. The commitment given by her inspired me to complete the writing of this report. Thank you.
