ACKNOWLEDGEMENT

Alhamdulillah. First and foremost praise to Allah S.W.T for bringing me to where I am now. I am deeply indebted to some people who have assisted me in doing this study. To all who have helped both direct nor indirectly, I really appreciate your support.

Firstly, I would like to extend my utmost appreciation and special mention to my supervisor, Ass.Professor Rozalli Hashim for his guidance, advice and invaluable comments in the preparation of this study. Without his perseverance, help and patient, this project paper would not have been completed successfully.

I also wish to pay tribute to our course coordinator for Corporate Administration (Hons) Programme, Ass.Professor Norhayati Mohd Salleh and other dedicated lecturers in UiTM Malacca that from whom I have learned so much.

I would like to wish my sincere thanks to Encik Hashim bin Fardi and Puan Norsiah Abdullah for their cooperation to me in working out this study in Jabatan Kastam Diraja, Ayer Keroh, Melaka.

Deepest thanks to my beloved parents, Haji bin and who were very supportive to me.

Finally, my thanks go to my beloved friends who were very helpful, supportive and patient from the beginning until the end of this project paper.

May Allah S.W.T always be with us.

Thank you.
