# FCE RAYA CELEBRATION 2025

Date: 18 April 2025 Venue: Blok 2 (B2-A7-22)  
 Time: 10:00 AM – 3:00 PM

The School of Civil Engineering joyfully welcomed the month of Syawal with a lively Hari Raya Celebration on 18 April 2025. Held at Blok 2 from 10:00 AM to 3:00 PM, the event brought together academic and administrative staff in a meaningful celebration of togetherness and tradition. In the spirit of collaboration, each division contributed a variety of festive dishes, creating a warm and inclusive Raya gathering for all attendees to enjoy.

## Booth Decoration Competition

A highlight of the event was the booth decoration competition, which saw enthusiastic participation from all four divisions: Water Resources & Environmental System (WRES), Construction Business & Project Management (CBPM), Geotechnical & Transportation Engineering (GeoTrEn), and Structural & Material Engineering (STRUCM), each presenting creative and festive displays.

## Booth Champion: STRUCM

STRUCM stole the spotlight with their captivating "Raya Ala Di Raja – Elegant Dirgahayu Aidilfitri" theme. Their booth exuded royal charm and elegance, earning them the top prize in the friendly competition.

## Strengthening Our Civil Engineering Family

Beyond the celebration, the event fostered closer connections, strengthened inter-division camaraderie, and reminded everyone of the values of respect, unity, and gratitude that lie at the heart of the school.

From All of Us... Selamat Hari Raya Aidilfitri, Maaf Zahir & Batin. May the joy of this festive season continue to bring harmony, inspiration, and success to all.
