ON LAND

People nowadays find it difficult to choose the best indoor plants that can enhance mental wellbeing, and there aren't any applications that can enlighten and educate users, according to researchers' overall findings in a group of teens. As a result, the topic of this project will be indoor plants that can be therapeutic for those who are struggling with their mental health. User can access several interesting websites regarding indoor plants.

# REDEFINE™

Redefine 16 - Orphic. From an adjectival standpoint, orphic signifies mysterious and entrancing, as well as something beyond ordinary understanding. Everyone has his or her own mystery that transcends anybody's ordinary understanding, which is also what makes each individual unique and unpredictable at best. Orphic was meticulously created to communicate to the world that we, 34 young designers, are ready to exhibit what mystery and beyond ordinary understanding genuinely means.
