## ACTIVITIES/PROGRAMS

### PROGRAM PERKAMPUNGAN ILMU

**PROGRAM PERKAMPUNGAN ILMU  
MURID SUKSES KE UITM PUNCAK ALAM**

Program Perkampungan Ilmu Murid Sukses 2.0 ke UiTM Puncak Alam, held in collaboration with classes BA2432E and BA2472C as part of the MGT538 (Personal Development) course, spanned two days and one night on June 6th and 7th, 2023.

This remarkable program welcomed 35 exceptional Form 5 students from SMK Puncak Alam to experience the Faculty of Business and Management firsthand.

The primary objective of this program was to cultivate talents beyond the confines of the classroom, empowering participants to express their opinions confidently and excel in public speaking, and foster a strong sense of teamwork.

We hope this program will yield significant benefits and continue to be a catalyst for growth in the future.
