1) ACKNOWLEDGEMENT

Most of all, I want to acknowledge and thank Allah s.w.t with my deepest gratitude for the miracles He has performed in my life for the completion of this practical report. I am able to complete this assignment which facilitated the completion of my industrial training. This Industrial training report would have not been carried successfully without the cooperation from many parties who contributes in preparing and completing this study.

My sincere thanks and gratitude are extended to my dedicated and understanding advisor Sir Muhamad Syukrie Bin Hj. Abu Talip the lecturer of Universiti Teknologi Mara (UITM), for the guidance and assistance, understanding and commitment throughout the duration of this work. The encouragement, understanding, suggestion and criticisms were helpful in completing this practical report.

With this opportunity, I would also like to thank the management of my attachment estate, (KUB Sepadu, Sg. Nape Estate), Mr Lawrence ak Libau (Estate Manager), Mr. Mas Firdaus b. Maskor, Mr Mohd Harriz b. Iskandar, and Mr Luqmanul Hakim b. Zulkifli (Assistant Manager) for their knowledge, guidance and support during my training.

Apart from that I also would like to thank all the staffs from KUB Sepadu Sg Nape Estate for helping me in obtaining useful information in the estate.

Lastly, I thank almighty to all individuals and my friends who involved directly or indirectly in giving useful information and valuable comment for me in completing the practical report.

Conclusion

In conclusion, I would like to thank the management of KUB Sepadu, Sg. Nape estate for accepting my application to finish my industrial training. From this industrial training I gained many information and knowledge either in management or in agriculture aspect. I hope KUB Sepadu can provide more information and activities to other practical students about oil palm plantation in Malaysia in the future.

The knowledge that I obtained from the estate will be the guidelines for me in the future when I further my study or in the world of occupation. After finishing my industrial practical I will share my knowledge and experience to other people so they will know more about KUB Sepadu. Once again, thanks a lot to KUB Sepadu, Sg. Nape Estate for accepting my application to do my training in order to complete my Diploma.
