NUR YUSRINA MOHD YUSOF

24th November 2021

Faculty of Medicine UiTM Sungai Buloh Campus was visited by one of UiTM Board Members, Dato' Haji Rizalman Ibrahim, who is also one of the most prominent fashion designers in Malaysia. His visit to the faculty was an annual visit to all UiTM campuses in Malaysia. The objective of his visit reflected on motivating staff and students of the faculty as well as showing appreciation to them.

The visit ran smoothly as scheduled when Dato' Haji Rizalman Ibrahim arrived at the lobby at 9:35 am and was presented with a surprise Aerodance show by a group of students before moving on to Dean's Meeting Room at level 9 of the building. In the meeting room,

Prof. Dr. Effat Omar, Acting Dean of Faculty of Medicine of UiTM, was in charge of giving a brief presentation for the VIP. After the short presentation, the event moved to the Clinical Simulation Centre (CSC), where multiple students demonstrated and reenacted various medical procedures. Before the end of the visit, Dato' Haji Rizalman Ibrahim was brought to the Museum of Medicine near the lobby to look at some artifacts of human body parts.

As a closure, staff, and students gather to take memorable pictures with the celebrity before he leaves. He was given a souvenir of a small terrarium to thank him for his visit and lovely attendance. He was visibly satisfied with the visit and thanked everyone for the pleasant stay before parting ways. 📄
