To ensure that this white coat ceremony can run smoothly. Without their commitment and enthusiasm, maybe this event would not be as grand as it was. This once in a lifetime event was very meaningful to the students and it able to boost their motivation to continue to strive in study and life despite any turbulence or challenges in the future.

Pledges of medical students who are guided by Dr. Mark Tan Kiak Min also has been recited by the leader of year 3 students Haziq Ajwad followed by all of year 3 students during the ceremony. The vow that the students took have ignited their spirit to keep on pursuing the purpose of becoming a good doctor in the future.
