MEDICAL MOBILE CLINIC BUS

ASSOCIATE PROFESSOR DR. FARNAZA ARIFFIN
FAMILY MEDICINE SPECIALIST
DEPARTMENT OF PRIMARY CARE MEDICINE

On 27th September 2022, the Faculty of Medicine UiTM was officially handed a medical mobile clinic bus in a prestigious ceremony attended by delegates from the Noah Foundation, Faculty of Medicine and Faculty of Dentistry UiTM, local leaders, and Kluang district health authorities, Ministry of Health. The ceremony was officiated by the 'Yang Amat Berhormat, Menteri Besar Johor', Dato' Onn Hafiz. The delegates from the Faculty of Medicine included the Dean, Associate Prof Dr. Fazah Akhtar Hanapiah, following with our ex-Dean, Hospital Al-Sultan Abdullah Deputy Director, Deputy Dean ICAN, the members of mobile clinic services committee, the heads of the department for Primary Care Medicine and Public Health, the faculty administrative and the corporate communication coordinator,

The medical mobile clinic donation by the Noah Foundation to the Faculty of Medicine, UiTM. Noah Foundation was established by the family of the late, Mohamad Noah Omar, who was born in Muar, Johor.

UiTM was built upon the foundation of RIDA (Rural and Industrial Development Authority) a training center inspired by the late, Dato' Onn Jaafar, father of Tun Hussein Onn. Thus, Noah Foundation has a strong affinity towards the Faculty of Medicine, UiTM, and its principles and values to provide quality education and accessible health care services to rural and B40 communities.

This medical mobile clinic is intended to serve the local villages and rural areas in Machap, Sembrong, and Layang-layang, Johor, to provide basic clinical services for the needs of the people such as treatment for minor ailments, infectious diseases, skin problems, minor surgery, health screening, and counseling.
