FBM CAREER FAIR 2023

On the 29th and 30th of November, 2023, the Faculty of Business and Management organized an event called the FBM Career Fair. The purpose of the event was to ensure that students would gain direct industrial exposure, share experiences, and explore internship opportunities, especially for final-year students. Throughout the event, Prof. Dr. Firdaus Abdullah, the Dean of the Faculty of Business and Management (FBM), dedicated his time to visiting all the industry players involved.

A big thank you to all the companies and students involved during the event.

Thank You
