Keynote Address by Eco-Technology Senior Lecturer at International Conference on Agricultural Technology and Engineering, and Environmental Sciences (ICATES) 2021

By: Dr Shahril Anuar Bahari, Faculty of Applied Sciences, UiTM Shah Alam

Dr Shahril Anuar Bahari, a senior lecturer of Eco-Technology Programme, Faculty of Applied Sciences (FSG), UiTM Shah Alam delivered a keynote speech entitled 'Bamboo, a Great Plant for Green Plan' at the International Conference on Agricultural Technology and Engineering, and Environmental Sciences (ICATES) 2021 held on 21 September 2021. The conference was hosted by the Agricultural Engineering Department, Faculty of Agriculture, Syiah Kuala University (UNSYIAH), Banda Aceh, Indonesia. The speech provides information on bamboo research accomplishments that are very useful in promoting the potentials of bamboo as a great raw material for global green development and consumption planning.

The screenshot shows the official website for ICATES 2021. The header includes navigation links: Home, Call for Papers, Conference, Previous ICATES, Travel Info, and About Us. The main banner features the text 'ICATES 2021 International Conference On Agricultural Technology, Engineering, and Environmental Sciences (ICATES) 2021' with the date 'September 21, 2021' and location 'Banda Aceh-Indonesia'. Below the banner, a 'Welcome to the 3rd ICATES 2021' section provides details about the conference location and host. A 'Keynote Speakers' section highlights two speakers: Prof. Dr. Okke Batelaan from Flinders University, Australia, and Dr. rer. nat. Shahril Anuar Bahari from Universiti Teknologi Mara, Malaysia. The website also features a large image of a bamboo grove.

This presentation slide features a large image of bamboo on the left. The title 'Bamboo, a Great Plant for Green Plan' is prominently displayed in the center. Below the title, the speaker's name 'Shahril Anuar Bahari' is listed, followed by his title 'Lecturer / Researcher Eco-Technology Program, Faculty of Applied Sciences, Universiti Teknologi MARA (UiTM), Shah Alam, Malaysia'. A small portrait of Dr. Shahril Anuar Bahari is shown on the right. At the bottom, there is a logo for 'Unleashing Potentials Shaping the Future' and a row of partner logos including THE STAR, MCA, and others.
