Bilateral Cooperation between Faculty of Biology, UKSW, Indonesia and Faculty of Applied Sciences, UiTM

By: FSG Corporate Communications Unit, Faculty of Applied Sciences, UiTM Shah Alam

Global presence through academic collaboration has been achieved through a bilateral cooperation between Faculty of Biology, Universitas Kristen Satya Wacana (UKSW), Indonesia and Faculty of Applied Sciences, Universiti Teknologi MARA (UiTM). Both faculties co-organised a webinar entitled "From Metagenomics to Environmental Spectrum" on 19 November 2021. The event was attended by Dra. Lusiawati Dewi, Dean of Faculty of Biology, UKSW, and Prof. Dr Farida Zuraina Mohd Yusof, Dean of FSG, UiTM. Also in attendance were biology lecturers from both faculties.

Future collaboration opportunities between UKSW and UiTM that can be conducted are in teaching, research and student exchange. In terms of research, the Faculty of Biology of UKSW offers related areas that match with FSG expertise. It is hoped that such collaborations will benefit the students and staff from UKSW and UiTM.

News of the collaboration was published on the Indonesian media and can be found in the following link:
