PERTEMerch: Stimulate Creativity and Entrepreneurial Skill

By: Muhammad Adib Wazif Bin Mohd Basir & Fadhilah binti Jailani, Faculty of Applied Sciences, UiTM Shah Alam

PERTEMerch was organised by the committees of Persatuan Teknologi Makanan (PERTEMA), UiTM Shah Alam. The programme was held from 14 June 2021 to 13 August 2021 with the aims to engage students in entrepreneurial activities and hone their talents by creating various designs on shirts. The target buyers were students and lecturers from the Food Science and Technology Programme at UiTM Shah Alam. Promotions of sales were conducted via poster posted in various social media platforms such as Instagram, Whatsapp and Telegram by the publicity committee. PERTEMerch had successfully reached the target order in which more than 60 pieces of shirts were sold. This programme involved 22 committee members from Persatuan Teknologi Makanan (PERTEMA), 24 students and 16 lecturers from the Food Science and Technology Programme. Overall, positive feedback were received from the customers. Majority of them were satisfied with the quality of clothes, the design, price and the delivery method provided. There were many compliments received regarding the unique and creative designs of the shirts. There was also a suggestion to create a special lanyard for Food Science and Technology's students.
