Anugerah Pelajar Cemerlang: The Future of Food Science & Technology

By: Fatin Nur Hidayah Binti Mohd Rizal & Fadhilah binti Jailani, Faculty of Applied Sciences, UiTM Shah Alam

Anugerah Pelajar Cemerlang: The Future of Food Science and Technology is a ceremony organised by the Persatuan Teknologi Makanan (PERTEMA) intended to honour and celebrate Bachelor of Science (Hons.) Food Science and Technology (AS246) students who have received the Dean's Award and Vice Chancellor's Award in the last March 2021 to August 2021 semester session. The theme of the ceremony was "The Future of Food Science and Technology", which depicts the students who are the 'next generation' of this field.

The event took place on Saturday, 6 November 2021, from 10:00 am to 11:30 am via Cisco Webex and YouTube Live platforms. The ceremony began with the national anthem Negaraku, Wawasan Setia Warga UiTM, followed by speeches from the Dean of the Faculty of Applied Sciences, Prof. Dr Farida Zuraina Mohd Yusof, the Deputy Dean of Academic Affairs (HEA), Prof. Ts. Dr Mohd Rozi Ahmad, and the Coordinator of the Bachelor of Food Science and Technology (AS246) programme, Dr Adi bin Md Sikin. There were also some video recordings of appreciation remarks delivered by lecturers from the AS246 program, in which the lecturers congratulated the students for their outstanding achievements and encouraged others to follow suits. The ceremony was successfully joined by a total of 134 students and academic staff from the Faculty of Applied Sciences, mainly from the Food Science and Technology department. This ceremony was meant to acknowledge students who have excelled academically despite the difficulty faced while attending online classes. This could also serve as an encouragement and stepping stone for students to strive harder in the following semester, for better achievement.
