EXECUTIVE SUMMARY

Liliaceae's business is oriented to partnerships. It consists of 5 lead workers, which are Amirah Natasha, Nur Nayli, Nur Marrisya, Nur Liyana, Puteri Aisyah, and Ain Najwa. We have delegated our task to become the General Manager, the Operation Manager, Administration Manager, Financial Manager, and the Marketing Manager of the company. Throughout our business expenses, it amounts to RM 120,000 in which the total contribution within each member is RM 15,000 except for the General Manager, which is RM 20,000. Also, the remaining would be from CIMB Bank's Loan.

Multipurpose soap is one of the most needed things that are everyone required and the most popular products at our company. Liliaceae. Co with the tagline 'Radiates Your Beauty' is located at Plaza city one, Jalan Munshi Abdullah, Masjid Jamek, 50100, Kuala Lumpur. We see this as a place that has a lot of opportunities to start our business. Liliaceae. Co is a company that focuses on skincare products as skincare products have many demands from people, especially both genders, from 12 years old until 65. This product looks fascinating and acceptable for variations in packaging, size, and shape to anyone who wants to use it. It is more attractive and exciting because we are implying our creativity for these skincare products.

In addition, the design seems to be the most important thing when we render the colourful tablet with a few fragrances that might have been surprising to people. After doing a bit of research, we found that people in Malaysia were having an issue, especially those who particularly loved to travel and needed to participate in a lot of a seminar or course. They need a lot of space to use for the toiletries and skincare. So, with our innovation, they can grab a bottle of Liliaceae product with multipurpose soap and go to travel or attend a course.
