In the field, the archers get together,
 Each one ready to expose their skill.
 With bow in hand and arrow nocked,
 They take their aim with iron will.

The target stands in the distance,
 A challenge to be conquered by all.
 The archers take their turns in reticence,
 Their arrows flying, straight and tall.

The crowd watches in amazement,
 As arrows hit the bullseye true.
 Each archer takes their shot with grace,
 Their skill on display for all to view.

The tournament rages on,
 With each archer giving their all.
 Their focus stanch,
 As they answer the challenge's call.

The sun begins to set,
 And the shadows grow long.
 But the archers continue to shoot,
 Their spirit and determination strong.

As the final arrows fly,
 And the last target is struck,
 The archers share a moment of joy,
 For they have all given their best luck.

The tournament may be over,
 But the memories will remain.
 For the archers who competed,
 Their skill and strength forever ingrained.
