Abstract

This library is public that is built for hospital facilities. The concept of this library is user friendly for everyone which is also quite interesting for the unable person. For example, autism people, blind people and so on. There is decoration for library such as replica of certain diseases (mosquito for dengue), full of colourful decoration and material in that library.

Keyword: User friendly, facilities, public library, and unable person.

Potential commercialization: It is for everyone and especially for disable people. Also it is requires for staff in that hospital.
