

The Faculty of Pharmacy came alive on October 12th, 2025, as INSPIRERX24 took place at Examination Hall 1 and various locations around the faculty, with a total of 239 participants. Organised by the Society of Pharmacy Students (SOPHYS) and the Faculty of Pharmacy Student Secretariat (SMF), this year's theme, "*Squid Game*," served as a platform to welcome new students while fostering teamwork and engagement.

The morning session began with a sharing session by the Deputy Dean of Student Affairs, followed by insightful talks from the alumni, faculty counselor, and assistant registrar. Participants were also introduced to the Faculty of Pharmacy's Student Representative Council and Sekreteriat Majlis Perwakilan Pelajar (SMPP) representatives, as well as the various student societies within the faculty.

In the afternoon, the program transitioned into a *Squid Game*-inspired explore and faculty tour. Participants, divided into groups, visited several checkpoints across the faculty to complete interactive challenges such as "*Clap Trap*," "*Chapteh Nyum-Nyum*," "*Whisper Seekers*," "*Radio Rosak*," and "*Musical Chairs*". Each group was accompanied by a tour guide while exploring the faculty's facilities. Adding to the excitement, "guards" dressed as *Squid Game* characters, attempted to pop participants' balloons and distract them from completing the challenges.

The event concluded with a closing ceremony, which began with a speech from the Dean of the Faculty of Pharmacy, followed by the most awaited moment of the day which is the announcement of the explorace results. The top winners received hampers as prizes, with Group G placing third, Group E earning second place, and Group F emerging as the overall champion of INSPIRERX24.

Overall, INSPIRERX24 was a resounding success, reflecting the dedication of the organizing committees and the enthusiastic participation of the students. The event strengthened the bond among new students and showcased the vibrant spirit of the Faculty of Pharmacy.
