

# The Grand Celebration of the INNOVATION AND QUALITY MONTH IN UiTM 2025

By Dr. Nur Syamimi Ariffin & Mr. Hamzah Aziz

Alhamdulillah, praise be to Allah, the Most Gracious and the Most Merciful. The Faculty of Pharmacy, UiTM Puncak Alam, celebrated a historic achievement by successfully organising the grand celebration of UiTM Innovation and Quality Month 2025, in collaboration with the Institute of Quality and Knowledge Management (InQKA) and UiTM Global. The event was held at Dewan Agung Tuanku Chancelor (DATC), UiTM Shah Alam. We were honoured to welcome all UiTM staff to this meaningful event, which also commemorated the 25<sup>th</sup> anniversary of the Faculty of Pharmacy.

# THE CREATIVITY EXPLOSION

“The Creativity Explosion” was chosen as this year’s theme. We believe creativity is not solely about generating new ideas, but also about viewing existing practices through a sharper, more strategic, and meaningful lens. The theme symbolises the commitment of UiTM staff to embed creativity, efficiency, and a high-impact work culture in their daily routines. It also reflects UiTM’s aspiration to grow as a dynamic, responsive, and competitive institution in its journey towards becoming a globally renowned university.

# EXCELLENCE RECOGNISED, QUALITY CELEBRATED

The event showcased UiTM staff’s excellence in improving the quality of work. Achievements were recognised through various categories, namely the Vice Chancellor’s Quality Award (AKNC), Creative and Innovative Group (KIK), Operational Excellence (OE), and Global Prominence Award (GPA). These awards celebrated the dedication of every department or PTJ (Pusat Tanggungjawab) in upholding quality across delivery, operations, and innovation, recognised and honoured in the presence of all UiTM staff.

# UNITED EFFORTS, SHARED SUCCESS

As the host, we extend our deepest appreciation to the Program Advisor, organising committee from the Faculty of Pharmacy, InQKA, and UiTM Global, as well as the panels, judges and facilitators, for their commitment and cooperation in ensuring the success of this prestigious event. We also congratulate all award recipients and participants who invested their time and effort in completing their projects.

Let us continue working hard, as our collective effort and determination are the catalyst for UiTM's continued excellence. Last but not least, we sincerely hope that this event will inspire an even greater Creativity Explosion among all UiTM staff. Marking the 25<sup>th</sup> year of the Faculty of Pharmacy, we look forward to seeing more creative milestones flourish across UiTM in the future.
