## **THANK YOU!**

The success of the Program Bulan Kemuncak Inovasi dan Kualiti held at Dewan Agung Tuanku Canselor (DATC), UiTM Shah Alam on 22 December 2025 would not have been possible without the generous support and commitment of our valued sponsors. Their contributions played a significant role in enhancing the overall experience of the programme and in recognising the participation and achievements of attendees through exciting lucky draw sessions.

We would like to extend our sincere appreciation to all sponsoring organisations, namely Bayview Hotel Langkawi, Duopharma Marketing Sdn. Bhd., Zakesy Biotech in collaboration with Dunia Lab, Abi Kreatif Sdn. Bhd., ZS Maju Global Sdn. Bhd., ADAS Apothecary, and iCEPS UiTM. Each sponsor demonstrated strong industry-academia collaboration by contributing prizes and support that added value and prestige to the event.

A total of 40 participants were selected as lucky draw recipients, reflecting the sponsors' generosity and their shared commitment to fostering motivation, innovation, and quality culture among participants. The lucky draw session was one of the programme highlights and was well received by attendees, creating an engaging and celebratory atmosphere throughout the event.

Special acknowledgement is extended to the Head of Sponsorship, Mr. Hamim Aiman Kamaruzaman, whose leadership and coordination were instrumental in ensuring smooth sponsor engagement and successful delivery of sponsorship activities.

The Grand Prize, a 3-day, 2-night stay sponsored by Bayview Hotel Langkawi, was awarded to Associate Professor Dr. Hasmaini Mohamad from the Faculty of Electrical Engineering, marking a memorable conclusion to the lucky draw session.

Once again, we express our deepest gratitude to all sponsors for their invaluable support. Their contributions not only strengthened the programme's success but also reinforced meaningful collaboration towards excellence in innovation and quality.
