UiTM Selangor, 2024/2025 Session

Distinguished guests, ladies and gentlemen.

**Assalamualaikum Warahmatullahi Wabarakatuh,  
Salam Sejahtera, Salam Malaysia Madani dan  
Salam UiTM di Hatiku. Greetings, everyone.**

1. Alhamdulillah. With profound gratitude, we acknowledge Allah's grace and blessings that have made this gathering possible on this special day.
2. A warm welcome and Selamat Datang to YB Hannah Yeoh. We are truly honoured by your presence today.
3. On behalf of **YBrs. Professor Dr. Hj. Mohd Sazili Shahibi, Deputy Vice-Chancellor of Student Affairs, currently carrying out the functions of the Vice-Chancellor of UiTM**, I extend his warm regards and express his deepest appreciation to everyone present.
4. We are grateful to be able to gather here for this meaningful programme, a true manifestation of ongoing efforts to empower the nation's youth, the **Rakan Muda Turun Kampus** Programme, an

initiative born from the vision and leadership of the Minister of Youth and Sports Malaysia.

5. I would like to express my profound appreciation to the **Ministry of Youth and Sports Malaysia** for their confidence and gracious commitment to establishing a strategic partnership with Universiti Teknologi MARA through this initiative.
  
6. The execution of this programme is also a testament to UiTM's ongoing commitment and support for the nation's educational aspirations, as well as its efforts to foster a culture of excellence among students, in order to produce holistic, competitive, and high-integrity graduates.

**Ladies and gentlemen,**

7. UiTM remains fully committed to playing its role and fulfilling its responsibility in shaping identity,

nurturing strong character, and developing leadership potential among the youth.

8. One of the most effective mediums for realising this aspiration is through the active involvement of youth in various development initiatives.
9. At UiTM Selangor in particular, various initiatives have been systematically implemented to ensure youth development goes beyond just the physical aspect, covering mental, emotional, moral values, and the spirit of volunteerism.
10. We believe that youth development is a long-term investment that helps shape Malaysian youth to be balanced in mind, emotions, body, and spirit.
11. With the support of the Ministry of Youth and Sports, we believe UiTM can play a greater role in nurturing talented students and preparing future

youth leaders to represent Malaysia on the global stage.

**Ladies and gentlemen,**

12. UiTM greatly values the efforts of the Ministry of Youth and Sports in reaching out to young people, especially students, through an inclusive, progressive approach that aligns with current needs and challenges.

13. We always welcome collaborations of this nature, as they not only empower students academically but also support holistic youth development, including social awareness and job-readiness skills.

14. On that note, on behalf of UiTM, I would like to once again express our deepest appreciation to **YB Hannah Yeoh** for her strong commitment,

dedication, and unwavering support towards the development of youth and students.

15. May the close collaboration between UiTM and the Ministry of Youth and Sports continue to grow stronger in our collective effort to shape a visionary and capable generation of future leaders.

**Thank you,**

**Wabillahitaufik Walhidayah,**

**Wassalamu'alaikum Warahmatullahi**
