**Assalamualaikum Warahmatullahi Wabarakatuh,
Salam Sejahtera, Salam Malaysia Madani and
Salam UiTM di Hatiku. Greetings, everyone.**

1. *Alhamdulillah.* With profound gratitude, we acknowledge Allah's grace and blessings that have made this auspicious event possible.
2. On behalf of the **UiTM Selangor Rector, Professor Dr Ahmad Taufek Abdul Rahman**, it gives me great pleasure to be here today and welcome all of you to the **8th International Conference on Molecular Biology and Biotechnology.**

3. First and foremost, I would like to congratulate the organisers, **Faculty of Medicine UiTM and Malaysian Society for Molecular Biology and Biotechnology (MSMBB)** for establishing and excellent platform for knowledge exchange and collaboration.

Ladies and gentlemen,

4. This event, held alongside the 31st MSMBB Scientific Meeting and the 9th UiTM International Medical Innovation Competition, marks an important step in promoting scientific collaboration and innovation locally and internationally.

5. As we officially open this conference, themed **'Revolutionizing Molecular Biology and Biotechnology with AI: Transforming Data for Impactful Innovation'**, I encourage everyone to embrace the opportunities to share ideas, build

collaborations, and gain new insights from the diverse expertise present.

6. With AI now deeply integrated into these fields, let us use these two days to reflect, learn, and spark meaningful progress together.

7. At UiTM Selangor, we are dedicated to promoting academic excellence and innovation, and this conference reflects our efforts to unite experts from academia, industry, and research.

8. By bridging education with real-world application, we aim to equip our students and researchers with the tools and connections needed to thrive in the fast-changing fields of biotechnology and molecular biology.

Distinguished guests,

9. I would like to extend my heartfelt thanks to all our organizing partners, speakers, and sponsors for their dedication and effort in bringing this conference to life. Your support and commitment are deeply appreciated.

10. I wish everyone an engaging, inspiring, and productive conference. May the discussions and collaborations over the next two days spark innovations that drive meaningful progress and shape a better future.

11. Without further ado, in the name of Allah, the Most Gracious, the Most Merciful, I hereby declare **8th International Conference on Molecular Biology and Biotechnology** officially open.
