ACKNOWLEDGMENTS

I would like to thank Allah, The Lord Almighty without whose blessing I will not have successfully completed this research. My honorable advisor Puan Nura Lina Bte Md Elias that reviewed drafts of my text and provided valuable comments and suggestions. I also would like to thank to my beloved parents bin and binti their pray and bless will always being my courage. Completing this research was a healthy and challenging assignment for me and this is how I would appreciate the wisdom of Allah which Most Gracious and Most Merciful. My second advisor, Encik Ainol Fizy Ruslan thank you for kept me motivated on doing this research and special thanks to those who assisted me directly or indirectly in completing my research study. I thank for every moments you spend for me.

Finally, I wish to gratefully thank the Coordinator of Practical Training, University of Technology Mara that required this proposal as one of the requirements to ending the session as a practical student

Ena Fatayha binti Md. Yusuf

Bachelor in Business Administration (Hons) Finance

Faculty of Business Management

ABSTRACT

This research is being conducted in order to determine the awareness of retirement planning among employees at Wisma Bandar. This research is focus on financial literacy that is divided into basic financial literacy and sophisticated financial literacy. Data were collected through questionnaire distributed to the people that from Wisma Bandar. The result shows that there was significant relationship between sophisticated financial literacy and the awareness of retirement planning. While, there is no significant relationship between basic financial literacy and the awareness of retirement planning.
