

7. SIJIL PROFESIONAL KESELAMATAN SIBER LANJUTAN (*PROFESSIONAL CERTIFICATE IN ADVANCED CYBERSECURITY*)

Penawaran semula program Sijil Profesional Keselamatan Siber Lanjutan (*Professional Certificate in Advanced Cybersecurity*) atas permintaan daripada pelbagai pihak. Hebahan poster program sedang giat dihebahkan menggunakan platform emel dan media sosial ICEPS. Program ini dijangka akan bermula pada 5 Mac 2022 dan sebanyak lapan (8) modul akan dijalankan. Program ini juga akan dikendalikan oleh pakar daripada Fakulti Sains Komputer & Matematik, UiTM Shah Alam.

The poster features a dark blue background with a glowing blue padlock icon inside a circular digital interface. At the top left, the logos of Universiti Teknologi MARA and the Institute of Continuing Education & Professional Studies are displayed. The main title 'PROFESSIONAL CERTIFICATE IN ADVANCED CYBERSECURITY' is prominently shown in white and yellow text. Below the title, a quote by Bruce Schneier is included. A list of program details is presented in a yellow box. To the right, a yellow hexagon indicates the fee per module. Contact information and a QR code are provided at the bottom. The footer contains social media handles and a phone number.
