Adjunct Prof Dato' Ishak bin Mohd Yusof, UiTMLaw's Adjunct Professor, delivered his lecture entitled "Career as a Prosecutor: The Art of Criminal Justice". The final-year students attended the lecture at Auditorium II, Kompleks al-Farabi, Faculty of Law, UiTM, on 13 January 2023. He has served the Attorney-General's Chambers for over 30 years and is currently a practising lawyer at Messrs Mohd Hanafiah Zakaria, specialising in criminal matters. The highlight of the lecture was the role of the Deputy Public Prosecutor in upholding justice in the criminal legal system. As a deputy public prosecutor, it was not a walk in the park as it comes with huge responsibility and expectations by stakeholders to prosecute the accused persons in court. He also kindly shared his vast experience and wisdom in conducting many high-profile cases, such as the murder case of Sosilawati, SRC International's case, and Lahad Datu's intrusion, to name a few.
