

Green @ UiTM

SUSTAINABLE CAMPUS AGENDA

FOREWORD FROM UGC DIRECTOR

In the face of growing environmental challenges and the urgent call for global action, sustainability has become more than a goal—it is a responsibility we all share. At Universiti Teknologi MARA (UiTM), our commitment to sustainability is deeply rooted in our vision to shape a greener, more resilient future for our communities and beyond.

This Sustainability Newsletter serves as a platform to showcase UiTM's ongoing efforts, initiatives, and innovations in promoting environmental stewardship, energy efficiency, sustainable development, and social well-being. From campus-wide green initiatives to student-led projects, this publication highlights the collective progress we are making in aligning with the United Nations Sustainable Development Goals (SDGs).

Through this issue, we aim to raise awareness, inspire change, and foster a culture of sustainability among our staff, students, and stakeholders. Every small step—from reducing waste to conserving water and embracing renewable energy—brings us closer to building a campus that not only thrives today but also safeguards the needs of future generations.

Let this newsletter be a reminder that sustainability is a shared journey, and every contribution counts. Together, let us continue to cultivate knowledge, champion eco-conscious practices, and lead by example for a sustainable tomorrow.

UiTM SEGAMAT'S 'TRASH TO CASH 2025' COLLECTS OVER 3.8 TONNES OF RECYCLABLES IN TWO DAYS

AUTHOR: MOHD SYHRIL ANUAR MOHD ALIAS

THE UiTM JOHOR BRANCH, SEGAMAT CAMPUS SUCCESSFULLY ORGANIZED THE TRASH TO CASH 2025 PROGRAM ON 11-12 JUNE 2025 AT DATARAN PTDI 1, COLLECTING AN IMPRESSIVE TOTAL OF 3,863.10 KG OF RECYCLABLE MATERIALS AND GENERATING RM1,745.28 IN SALES.

THIS INITIATIVE, WHICH INVOLVED 15 DEPARTMENTS AND FACULTIES, WAS PART OF THE UNIVERSITY'S ONGOING EFFORTS TO PROMOTE RECYCLING AWARENESS AND ENVIRONMENTAL SUSTAINABILITY WITHIN THE CAMPUS COMMUNITY.

PARTICIPATING UNITS COLLECTED A VARIETY OF RECYCLABLE MATERIALS—INCLUDING PAPER, PLASTIC, AND ALUMINIUM—AND DELIVERED THEM TO A CENTRALIZED COLLECTION POINT. THE PROGRAM NOT ONLY RAISED ECO-CONSCIOUSNESS BUT ALSO FOSTERED COLLABORATION AND A SENSE OF SOCIAL RESPONSIBILITY AMONG STAFF AND STUDENTS.

OUTSTANDING CONTRIBUTORS WERE RECOGNIZED DURING THE CLEAN CITY TOUR JOHOR 2030 AWARDS CEREMONY, ORGANIZED BY SWCORP JOHOR. THE FACILITY MANAGEMENT DIVISION SECURED FIRST PLACE, CONTRIBUTING 1,482.2 KG OF RECYCLABLES. PRIZES FOR THE TOP FIVE PERFORMERS WERE SPONSORED BY SWCORP.

THIS IMPACTFUL PROGRAM REFLECTS UiTM SEGAMAT'S STRONG COMMITMENT TO THE NATIONAL SUSTAINABILITY AGENDA. ITS SUCCESS SETS A POSITIVE EXAMPLE FOR FUTURE CAMPUS-WIDE GREEN INITIATIVES AND ESTABLISHES A BENCHMARK FOR OTHER INSTITUTIONS ASPIRING TOWARD ENVIRONMENTAL STEWARDSHIP.
