

Meeting with Dr. Catherine Maternowska of the Global Partnership on Violence

As one of the UNICEF Malaysia's partner, the UiTMLaw Child Law Centre has been invited to attend a meeting with Dr. Catherine Maternowska of the Global Partnership on Violence. Addressing Violence Against Children (VAC) will be the focus of the activities which will be conducted by the Child Law Centre in the coming year, in line with UNICEF's efforts towards implementing the Sustainable Development Goals on Violence with all child protection partners in Malaysia. In an effort to support this goal, UNICEF and other agencies developed the INSPIRE tool and resource package to guide their efforts. This meeting is part of the overall mission to provide platform with VAC partners to discuss Malaysia's role and contribution in ending violence, including potentially as a designated Pathfinder country.

Appointment as Exco Member for Selangor Malaysian Crime Prevention Foundation

Dr. Nadzriah Ahmad has been appointed as the Exco Member for the Selangor Malaysian Crime Prevention Foundation (MCPF) on 16 July 2019 to lead crime prevention programmes in schools around Selangor among children and adolescents. MCPF recognised the importance of using schools as vital platforms to combat crimes and anti-social as well as delinquent behaviour among children in order to prevent them from coming into contact with the juvenile justice system.

Member of Consultation Session for Focus Group Discussion for Social Welfare Department, Ministry of Women, Family and Community Development

Dr. Nadzriah Ahmad has been appointed as Member of Consultation Session for Focus Group on Advancing Child Well Being for the preparation of Strategic Paper for the 12th Malaysian Plan under the Technical Working Group for Community Development. The session took place on the 1 August 2019 where Dr. Nadzriah Ahmad presented and highlighted priority areas concerning children such as safety and legal framework and policies protecting children.
