SUSTAINABLE CAMPUS AGENDA

FOREWORD FROM UGC DIRECTOR

In the face of growing environmental challenges and the urgent call for global action, sustainability has become more than a goal—it is a responsibility we all share. At Universiti Teknologi MARA (UiTM), our commitment to sustainability is deeply rooted in our vision to shape a greener, more resilient future for our communities and beyond.

This Sustainability Newsletter serves as a platform to showcase UiTM's ongoing efforts, initiatives, and innovations in promoting environmental stewardship, energy efficiency, sustainable development, and social well-being. From campus-wide green initiatives to student-led projects, this publication highlights the collective progress we are making in aligning with the United Nations Sustainable Development Goals (SDGs).

Through this issue, we aim to raise awareness, inspire change, and foster a culture of sustainability among our staff, students, and stakeholders. Every small step—from reducing waste to conserving water and embracing renewable energy—brings us closer to building a campus that not only thrives today but also safeguards the needs of future generations.

Let this newsletter be a reminder that sustainability is a shared journey, and every contribution counts. Together, let us continue to cultivate knowledge, champion eco-conscious practices, and lead by example for a sustainable tomorrow.

UiTM SABAH SUSTAINABILITY PROGRAMME: SCIENERGY'S DAY "GREEN WALK"

AUTHOR: JO-ANNE, DR. MOHD FAIZAL ACHOI, DR. AJIS LEPIT AND TS. SITI AMINAH MOHAMMAD

ON 23 MAY 2025, THE FACULTY OF APPLIED SCIENCES (FSG) AT UiTM SABAH, IN COLLABORATION WITH THE UiTM GREEN CENTRE (UGC), SUCCESSFULLY HOSTED SCIENERGY'S DAY "GREEN WALK" AS PART OF ITS CAMPUS SUSTAINABILITY INITIATIVE. HELD AT THE SCIENCE AND AGROTECHNOLOGY LABORATORY COMPLEX (KOMSAT) AND NEARBY STAFF HOUSING AREAS, THE PROGRAMME ATTRACTED OVER 55 PARTICIPANTS, INCLUDING STUDENTS AND STAFF. THE EVENT AIMED TO INSTIL AWARENESS ABOUT THE IMPORTANCE OF A "ZERO WASTE" CAMPUS ENVIRONMENT WHILE FOSTERING CLOSER BONDS WITHIN THE UiTM COMMUNITY.

PARTICIPANTS WALKED UP TO 1 KM AROUND THE CAMPUS, COLLECTING LITTER IN TARGETED AREAS SUCH AS KOMSAT, STUDENT HOSTELS, AND STAFF QUARTERS. THIS EFFORT, TERMED THE "GREEN WALK," SERVED AS A PRACTICAL STEP TOWARD NURTURING A CLEANER, GREENER CAMPUS. TO ENHANCE ENGAGEMENT, A PHOTOGRAPHY COMPETITION THEMED "ENVIRONMENT" WAS ALSO HELD, OFFERING ATTRACTIVE PRIZES TO WINNERS.

THE EVENT FEATURED PHYSICAL WARM-UP SESSIONS, PRIZE PRESENTATIONS, AND WAS OFFICIALLY OFFICIATED AND CONCLUDED BY TS. SITI AMINAH TENGAH@MOHAMMAD, HEAD OF CENTRE FOR STUDIES, FSG.

THIS PROGRAMME EXEMPLIFIED UiTM SABAH'S COMMITMENT TO SUSTAINABILITY THROUGH EDUCATION AND COMMUNITY ACTION.
