SUSTAINABLE CAMPUS AGENDA

FOREWORD FROM UGC DIRECTOR

In the face of growing environmental challenges and the urgent call for global action, sustainability has become more than a goal—it is a responsibility we all share. At Universiti Teknologi MARA (UiTM), our commitment to sustainability is deeply rooted in our vision to shape a greener, more resilient future for our communities and beyond.

This Sustainability Newsletter serves as a platform to showcase UiTM's ongoing efforts, initiatives, and innovations in promoting environmental stewardship, energy efficiency, sustainable development, and social well-being. From campus-wide green initiatives to student-led projects, this publication highlights the collective progress we are making in aligning with the United Nations Sustainable Development Goals (SDGs).

Through this issue, we aim to raise awareness, inspire change, and foster a culture of sustainability among our staff, students, and stakeholders. Every small step—from reducing waste to conserving water and embracing renewable energy—brings us closer to building a campus that not only thrives today but also safeguards the needs of future generations.

Let this newsletter be a reminder that sustainability is a shared journey, and every contribution counts. Together, let us continue to cultivate knowledge, champion eco-conscious practices, and lead by example for a sustainable tomorrow.

3R ASID PROGRAMME STRENGTHENS RECYCLING PRACTICES AMONG UiTM DENGKIL STUDENTS

AUTHOR: DR. NUR ASYIKIN AHMAD NAZRI AND ZAIDI YAACOB

THE CENTRE FOR FOUNDATION STUDIES, UiTM DENGKIL, SUCCESSFULLY RAN THE 3R ASID PROGRAMME FROM DECEMBER 2024 TO MARCH 2025, PROMOTING THE PRINCIPLES OF REDUCE, REUSE, AND RECYCLE AMONG STUDENTS. LAUNCHED IN OCTOBER 2024 BY THE DAHLIA COLLEGE REPRESENTATIVE COMMITTEE'S QUALITY AND INNOVATION EXCO, THE PROGRAMME FEATURED AN INTERACTIVE FORUM WITH STUDENT PANELLISTS FROM SCIENCE, ENGINEERING, TESL, AND LAW, OFFERING MULTIDISCIPLINARY INSIGHTS ON SUSTAINABILITY. ACTIVITIES INCLUDED RECYCLING CAMPAIGNS, CREATIVE COMPETITIONS USING RECYCLED MATERIALS, AND THE DISTRIBUTION OF INFOGRAPHICS TO RAISE ENVIRONMENTAL AWARENESS.

LED BY NUR MIRZA ALYA AND MUHAMMAD IZZ ZIQRY, WITH GUIDANCE FROM ADVISORS MR. ZAIDI YAACOB AND DR. NUR ASYIKIN AHMAD NAZRI, THE INITIATIVE SUCCESSFULLY ENGAGED 172 STUDENTS AND RECEIVED STRONG SUPPORT FROM UNIVERSITY MANAGEMENT. THE PROGRAMME NOT ONLY ENCOURAGED SUSTAINABLE HABITS BUT ALSO FOSTERED STUDENT CHARACTER DEVELOPMENT THROUGH EXPERIENTIAL LEARNING.

WITH POSITIVE FEEDBACK FROM ALL PARTIES INVOLVED, 3R ASID STANDS AS A MODEL INITIATIVE FOR INTEGRATING ENVIRONMENTAL RESPONSIBILITY INTO CAMPUS CULTURE.
