SUSTAINABLE CAMPUS AGENDA

FOREWORD FROM UGC DIRECTOR

In the face of growing environmental challenges and the urgent call for global action, sustainability has become more than a goal—it is a responsibility we all share. At Universiti Teknologi MARA (UiTM), our commitment to sustainability is deeply rooted in our vision to shape a greener, more resilient future for our communities and beyond.

This Sustainability Newsletter serves as a platform to showcase UiTM's ongoing efforts, initiatives, and innovations in promoting environmental stewardship, energy efficiency, sustainable development, and social well-being. From campus-wide green initiatives to student-led projects, this publication highlights the collective progress we are making in aligning with the United Nations Sustainable Development Goals (SDGs).

Through this issue, we aim to raise awareness, inspire change, and foster a culture of sustainability among our staff, students, and stakeholders. Every small step—from reducing waste to conserving water and embracing renewable energy—brings us closer to building a campus that not only thrives today but also safeguards the needs of future generations.

Let this newsletter be a reminder that sustainability is a shared journey, and every contribution counts. Together, let us continue to cultivate knowledge, champion eco-conscious practices, and lead by example for a sustainable tomorrow.

EARTH-THEMED ATTIRE ENLIVENS EARTH DAY 2.0 AT UiTM DENGKIL

AUTHOR: ERNEE SAZLINAYATI OTHMAN AND DR. NUR ASYIKIN AHMAD NAZRI

UiTM DENGKIL'S UGC CLUB MARKED EARTH DAY 2025 WITH A VIBRANT CELEBRATION THEMED "EARTH DAY 2.0," DRAWING STRONG STUDENT PARTICIPATION THROUGH A SERIES OF CREATIVE AND EDUCATIONAL ACTIVITIES. HELD ON 22 APRIL AT ANJUNG UiTM DENGKIL, THE EVENT ENCOURAGED ATTENDEES TO WEAR EARTH-TONED OUTFITS AND ENGAGE WITH A NATURE-THEMED PHOTO BACKDROP. PARTICIPANTS SCANNED QR CODES AFTER TAKING PHOTOS TO ACCESS A FUN QUIZ ON ENVIRONMENTAL FACTS, BLENDING AWARENESS WITH INTERACTIVE LEARNING. ATTENDANCE WAS ALSO RECORDED FOR CO-CURRICULAR CREDIT, FURTHER BOOSTING ENGAGEMENT THROUGHOUT THE DAY.

PROGRAMME ADVISOR PN. ERNEE SAZLINAYATI COMMENDED THE EVENT'S INNOVATIVE APPROACH TO PROMOTING SUSTAINABILITY, WHILE UGC CLUB SECRETARY SYAIRA DELANA HIGHLIGHTED ITS SUCCESS IN UNITING EDUCATION, CREATIVITY, AND CAMPUS SPIRIT.

WITH A STRONG STUDENT RESPONSE AND MEANINGFUL CONTENT, THE ORGANISERS HOPE TO EXPAND EARTH DAY 2.0 INTO A LARGER ANNUAL TRADITION IN FUTURE EDITIONS.

UiTM PUNCAK ALAM

HYDROPONIC FARMING PROJECT REPORT – FACULTY OF ACCOUNTANCY

AUTHOR: DR NUR SYUHADA BINTI JASNI

FROM JANUARY TO JUNE 2024, THE FACULTY OF ACCOUNTANCY AT UiTM PUNCAK ALAM SUCCESSFULLY IMPLEMENTED A SOLAR-POWERED HYDROPONIC FARMING PROJECT AS PART OF ITS COMMITMENT TO SUPPORTING UiTM'S GREEN CAMPUS INITIATIVE. THE PROJECT AIMED TO ENHANCE THE FACULTY'S SURROUNDINGS, PROMOTE SUSTAINABLE AND MODERN AGRICULTURE, AND INSTIL ENVIRONMENTAL AWARENESS AMONG STAFF AND STUDENTS. VEGETABLES SUCH AS SPINACH, MUSTARD GREENS, AND PAK CHOI WERE CULTIVATED USING A SOIL-FREE METHOD THAT IS CLEAN, SPACE-EFFICIENT, AND ECO-FRIENDLY.

THE INITIATIVE RECEIVED STRONG SUPPORT FROM THE FACULTY COMMUNITY, WITH THE GREEN COMMITTEE OVERSEEING PLANT CARE AND MAINTENANCE. PARTICIPANTS WERE ALSO TRAINED IN ESSENTIAL HYDROPONIC TECHNIQUES, INCLUDING NUTRIENT MANAGEMENT, PH CONTROL, AND HARVESTING PRACTICES.

BEYOND ITS AESTHETIC VALUE, THE PROJECT MADE A MEANINGFUL SOCIAL IMPACT BY DISTRIBUTING THE HARVESTED PRODUCE TO CLEANING STAFF, ALIGNING WITH SUSTAINABLE DEVELOPMENT GOAL (SDG) 2 – ZERO HUNGER.

THIS INITIATIVE NOT ONLY FOSTERED A SENSE OF SHARED RESPONSIBILITY BUT ALSO DEMONSTRATED THE FACULTY'S ACTIVE ROLE IN PROMOTING SUSTAINABILITY. MOVING FORWARD, THERE ARE HOPES TO EXPAND THE PROJECT, ENCOURAGING A LASTING GREEN CULTURE ACROSS THE CAMPUS.
