AKADEMI PENGAJIAN BAHASA (APB)

On November 12 2025, Akademi Pengajian Bahasa (APB) at UiTM Shah Alam organised a Used Clothing Donation Project. The sorting and collection process for the clothing lasted approximately two weeks before the items were handed over to MBSA

During this two-week period, all APB staff including lecturers and administrative staff donated their used clothing by placing them into labelled boxes located in the Bilik Rehat Pensyarah.

MBSA representatives later collected about 16 boxes of sorted and neatly packed clothing at around 3 pm.

This clothing drive aimed to raise awareness about the importance of sustainable textile waste management and to promote recycling and reuse practices among the APB community.
