EXECUTIVE SUMMARY

SALIHIN is Malaysia's largest homegrown professional services firm, with a developing global network of independent member firms. Founded in 2002 as a single-partner audit firm, it has grown subsequently into multidisciplinary company with over 500 specialist serving customers through local and worldwide offices.

The firm provides a comprehensive range of services including audit and assuring, tax, corporate advising, digital consultancy, and Shariah advisory. Its services are specific to the demands of enterprises at stages of growth, providing realistic, high-quality solutions that meet each client's changing requirements.

SALIHIN has worldwide network of over 20 collaborating member firms in 10 countries, making it to provide global experience within a localized context. It's group structure enables autonomous yet coordinated consulting services to meet increasingly complex corporate concerns.

Through the SALIHIN Foundation, SALIHIN remains firmly committed to creating a good effect in addition to its core professional services. The organization is essential to helping those in need, supporting relief efforts after natural disasters, and helping people who are dealing with severe health issues.

In short, SALIHIN is dependable and innovative partner for companies seeking to expand, thrive and some change in a world that is constantly changing.

ACKNOWLEDGEMENT

In the beginning, I am grateful to UiTM Kampus Bandaraya Melaka for giving me opportunities to do this internship to complete my studies journey. As a result of this experience I gained and grew both professionally and socially.

I am very thankful to SALIHIN for accepting and offering me this opportunity to learn and apply my skills in the workplace. I also want to thank my internship advisor Sir Shahiru, for his continuous guidance and honest comments during my internship journey.

Additionally, I appreciate all of the staff and associates of SALIHIN for sharing their expertise, giving their skills, and showing me that learning is very important. I was shockedly surprised by their professionalism and work spirit with everyone.

Furthermore, I want to thank those who are close to me for being there for me along with this experience. Lastly, from improving my technical as well as social skills, this internship gave me greater trust to pursue a career in financial services.
