EXECUTIVE SUMMARY

Altus Oil & Gas Malaysia Sdn Bhd is a provider of logistics, marine and oilfield services company that was developed in 2010. Based in Kuala Lumpur, the company deals with serving the energy industry through marine logistics, offshore containers, equipment rental and supply chain services. It has collaborations with other international companies and considers safety, quality and sustainability.

Altus Oil & Gas Malaysia Sdn Bhd strives to become the supplier of choice in logistics of Malaysia and unite the use of certified systems (ISO 9001, 14001, and 45001) with the highest technological barriers and excellent corporate culture. Its advantages are large geographical coverage and innovative approach. Nevertheless, it has to deal with the issues of worldwide brand awareness and employee retention. Altus Oil & Gas Malaysia Sdn Bhd is relentlessly striving to enhance its brand, its people, digitalization, and safety, where the goal is to remain competitive. The company is even getting diversified into green logistics that satisfy the industry and environmental requirements.

Through my internship in the Finance Department at the end of which (6 months) I had the experience of work on the real side of the working places, namely on the work on bank reconciliation, staff claims, invoicing, budget reports and so on. The internship experience assisted me in becoming professionally competent, developing soft skills and being ready to work in the field of finance.

ACKNOWLEDGEMENT

Firstly, I felt very grateful to Almighty God for giving me the courage, awareness, and determination required to complete this report. This could not have been done without the favour of Him. I would strongly like to show my deep gratitude to Altus oil and gas sdn. Bhd providing me with 6-months internship placements as finance intern. To my friends and colleagues at Altus Oil and Gas Malaysia Sdn. Bhd who helped me in this matter and were also so quick in providing the help.

Additionally, I was incredibly grateful to have an advisor like Madam Junaini, whose constant encouragement and support have been crucial to the success of my report. Your excellent advice and unwavering support have substantially increased my knowledge .

I would like to say that I am grateful to my friends and classmates as they have always been supporting me and have assisted me whenever a need for my assistance has called and they have given me encouragement, support and advice. Finally, It was a challenge to do this assignment in the time frame given to me while doing an internship at the company and I sincerely appreciate everyone's efforts that made it possible.
