ACKNOWLEDGEMENT

First of all, I would like to express my highest gratitude to God Almighty because I have succeeded perfectly in practical training at Yayasan Sarawak for eight weeks beginning 20 January 2016 and ended on 16 March 2016 as required by the University Technology Mara (UiTM) Samarahan.

Greatest thanks to my supervisor, Madam Nursuria binti Mahrif who had helped me a lot in completing this practical report. The understanding, encouragement and continuous support from her throughout the duration of fulfilling this assignment are most appreciated.

Besides that, I would like to thank Yayasan Sarawak for giving me chances to do my practical training in this agency. Do not forget to thank to my host supervisor Miss Shafida Safia, who approved my application to do my practical training at Yayasan Sarawak.

Last but not least, infinite thanks to my parents, my family member and my friends that always give me strength, confident and support me throughout my journey as a student. They helped me a lot in completing the practical training report, and without their help and advice, I could not able to do the practical report well.
