EXECUTIVE SUMMARY

An internship at Majlis Rekabentuk Malaysia (MRM) offers a valuable opportunity to contribute to the growth and development of Malaysia's design industry. As a non-profit agency under the purview of the Ministry of International Trade and Industry (MITI), MRM plays a crucial role in spearheading design programs, nurturing design expertise, and elevating industry standards. Interns at MRM can expect to be involved in a variety of tasks, including supporting design initiatives, conducting research, and assisting in the organization of events. This immersive experience provides interns with practical skills, industry knowledge, and a deeper understanding of the design landscape in Malaysia, preparing them for future careers in the field.

ACKNOWLEDGEMENT

I would like to express my sincere gratitude to Majlis Rekabentuk Malaysia (MRM) for providing me with the opportunity to complete my industrial training. I am especially thankful to Encik Mohd Muhajir Bin Mohd Jiwahir, my supervisor, for his invaluable guidance, support, and mentorship throughout this period.

I would also like to acknowledge the contributions of the staff at MRM, particularly to the Finance Department for their assistance and willingness to share their expertise. Their support has greatly enriched my understanding of the design industry and its practical applications.

Finally, I would like to thank UiTM Cawangan Melaka Kampus Bandaraya Melaka and my academic advisor, Dr Suhaida Binti Mohd Amin, for their guidance and support in making this industrial training possible.
