Welcoming International Students

Alhamdulillah...despite the pandemic situation due to COVID 19, UiTM has successfully received about 826 international postgraduate students from 35 countries for intake Semester Mac 2021. China and Indonesia are among the highest numbers of postgraduate students enrolled in UiTM.

On the 28th March 2021, welcoming activities for 27 Indonesian postgraduate students were held. The activities started with a delightful speech from the Dean of IPSis, Prof. Ir. Dr Zuhaina Haji Zakaria and followed by assisting them to the hostel and international residence by IPSis administration staff. Other than that, Online welcoming activity was also held with other international students on 27th of April 2021 with the help of UiTM Postgraduate Society (UIPS).
