EXECUTIVE SUMMARY

The six-month internship at Tenaga Cable Industries Sdn Bhd, from March 3 to August 15, 2025, provided a deep insight into how a leading cable manufacturing company runs its daily operations. Observed that the different departments working together to produce high-quality cables, learned about the supply chain process, and saw how the company manages quality control to meet industry standards. A significant part of the internship involved spending almost four months working at the reception area. This role allowed the trainee to meet and interact with wide range of employees, visitors, and clients, which helped to recognize many key personnel and understand their roles within the organization. It became clear how important the reception is as the first point of contact and how it connects different department through smooth communication for Human Resource. Besides the role at reception, one activity that stood out was attending leadership training programs designed to develop future business leaders. These programs included workshops on decision-making, teamwork, and communication, all aimed at preparing employees for increased responsibilities. Overall, this internship has been a stepping stone in the trainee career, giving a practical knowledge and confidence to pursue future opportunities in the industry.

ACKNOWLEDGEMENT

First and foremost, I would like to begin by expressing my gratitude to Allah SWT for blessing me with the opportunity to complete this Industrial Training successfully. This training lasted for six months, starting on the 3rd of March and ending on the 15th of August 2025. Without this divine blessing, it would have been challenging for me to accomplish this valuable experience in Tenaga Cable Industries Sdn Bhd.

I am also deeply thankful to my dedicated supervisor, Mr. Hasrin Mohamad, for his consistent support and guidance throughout my internship journey. He provided me with valuable advice that helped me improve my skills and understand complex tasks better. He shared important information about the industry that opened my eyes to new perspectives. Without his mentorship, I would not have learned as much or felt as prepared for real-world challenges. His willingness to share his knowledge made my internship journey truly worthwhile and inspiring.

Finally, I want to give my heartfelt thanks to my advisor, Ms. Milfadzhilah Mohd Jamil, for her unwavering support and guidance throughout my report writing process. She always made time in her busy schedule to review my drafts and provide valuable feedback. Her encouragement motivated me to keep going and stay focused on completing my report thoroughly and confidently.
