ACKNOWLEDGEMENT

In the name of Allah SWT, Most Gracious, the Most Merciful, peace and blessings be upon our Prophet Muhammad SAW. Alhamdulillah gratitude to Almighty Allah, with His permission and blessing of writing this work can be done and solved.

I decided to express my sincere appreciation and thanks to all who are involved give encouragement and support to me. Firstly, thanks to all lecturer and my friends that are helped to teach and as a reference of this work until it done.

Never forget to my parent and my siblings' thank you for your support and helped in finance and facilities.

Lastly, thank you to UiTM Sabah and IOI Lahad Datu cause allow me to do my industrial training at Tas/Halusah Estate. To all members of Tas/halusah Estate (Fransisca, Suriani, Jumardi, Sabtura, Hasim, Mazlan, Sahabudin and other), I appreciate all of your support to me from first day until the end of my industrial training.

Indeed, this work cannot be realized without the support of all parties, whether directly or indirectly. May all blessed by Allah SWT.

EXECUTIVE SUMMARY

CONTENTS

This report is about my industrial training for the past 14 weeks in IOI Lahad Datu.

This report consists of my activities during my training time. For the early week of my training until end week of my training I involve with manuring program for MOP, ERP, Borate and NK Mix fertilizer.

Then I learned about how the harvesting is done and little bit about spraying. I also involve in calculation of wages for worker and other work in office such as accounts, admin and store management there.
