AGROTECHNOLOGY

JULY 2019

ACKNOWLEDGEMENTS

Praise to the Lord for strength, health and opportunity given to us as without Him, we might not be able to go through all obstacles during my practical and study. We were felt blessed and grateful that we could finish this task given on time. We also owe much thanks to many people whom have helped and supported me during preparing the report. We wish to express our sincere appreciation to our managers, Sir Ahmad Bin Mansor and Senior Assistant Manager Abdul Rahman for give us guidance, advice and knowledge during our internship. We also thankful for all staff and workers at Melangking Oil Palm Plantation for willingness to teach and guide us.

This report also could not have been prepared without the help and encouragement from various people. We would like to thank our family for their encouragement and blessing and support us in many ways. We also thanks to Melangking Oil Palm Plantation for willing accept us to do the Industrial training and at the same time give and support me to complete this final report.

We would like to thank to our Lectures Mr Hazmi bin Awang Damit cum our supervisor, Mr. Mohd Hafezan bin Sisa, Coordinator of Industrial Training and Mdm Dayang Shurtinie binti Dato Shuib, the Assistant Manager, Unit Ladang UiTM Sabah branch. Once again, we are thankful to all who have helped us in completing this report.
