Malaysian Academy of SME and Entrepreneurship Development

2021
UPDATES

Big congratulations to Abdul Hafy Shah bin Abdul Halim Shah, student from Department of Printing Technology, Faculty of Art & Design, UiTM Puncak Alam has who successfully received a grant of RM40,000 for the Malaysia Social Innovation Accelerator MYSIAP 2021 Program.

This program is organized by the Ministry of Science, Technology, and Innovation (MOSTI) together with Yayasan Inovasi Malaysia (YIM) as the managing agency.

MySIAP is one of the programs designed to encourage student participation. Not only this program is to foster entrepreneurial values, but it is also to inspire students in making social innovation a career prospect in the future. It provides a platform for social innovators to develop projects that can be implemented in the local community. The coaching and mentoring program will commence in July 2021, for 6 months. Successful participants will graduate and be awarded the Social Innovation Ambassador (Cohort 2021).

Congratulations again to Abdul Hafy Shah and the founding team - Ms. Mastura Omar, Ts. Dr. Rohana Zur, En. Muhammad Yusuf Masod and Pn. Nurhanis Nordin.
