FACULTY NEWS HIGHLIGHTS

# BEM PRESIDENT AWARD (BEST GRADUATE AWARD)

Ahmad Imran bin Ismail, a graduate of the Bachelor of Civil Engineering with Honours, has demonstrated exceptional academic excellence, leadership, and professional potential throughout his undergraduate studies at Universiti Teknologi MARA (UiTM). He graduated with an outstanding CGPA of 3.84 and was conferred the Vice-Chancellor's Award, in addition to receiving the Dean's Award in every semester of study.

His consistent high performance and holistic development have been recognised through numerous prestigious awards, including the BEM President Award 2025, MySET-MAK Student Excellence Award 2025, PKA Rising Star Award 2024, and multiple Best Student Awards across several semesters. In recognition of his outstanding achievements, he was also selected as the Faculty of Civil Engineering nominee for the UiTM Best Graduate Award 2025 and as the UiTM nominee for the Student Leadership Figure Award 2025.

Beyond academic excellence, Ahmad Imran has shown strong leadership and commitment to community engagement through his active involvement in SULAM programmes, serving as both

Ahmad Imran bin Ismail received BEM President Award 2025

Program Director and Deputy Program Director for impactful initiatives focusing on community empowerment, safety, and inclusivity.

Ahmad Imran bin Ismail officially received the BEM President Award (Best Graduate Award) during the 103rd Universiti Teknologi MARA Convocation, held on 2 December 2025, underscoring his exemplary achievements and marking a significant milestone in his academic and professional journey.
