A photograph of three female students wearing hijabs and high-visibility vests, sitting around a stone table outdoors. They are focused on their work, with papers, water bottles, and a smartphone on the table. The background shows a building and trees under a bright sky.

STUDENT ACHIEVEMENTS MARK MILESTONES OF EXCELLENCE, GROWTH & LIFELONG LEARNING

Student achievements reflect dedication, intellectual growth, and the pursuit of academic excellence beyond the classroom

FACULTY STUDENT AFFAIRS

RAFT DESIGN COMPETITION BAN CANAL 2025 CARNIVAL

SABAK BERNAM, 9th November 2025 - Five teams from the Faculty of Civil Engineering, Universiti Teknologi MARA (UiTM) successfully participated in the Raft Design Competition held in conjunction with the Ban Canal 2025 Carnival, a national-level event organised by Menteri Besar Selangor (Pemerbadanan). Throughout the challenge, our students demonstrated remarkable innovation, blending clever ideas with solid engineering principles, with each raft crafted entirely from recycled materials and judged on creativity, strength and sustainability.

“Innovative student engineering merges sustainability, creativity, and performance through recycled design.”

Their teamwork, problem-solving skills and bold design concepts stood out and captured the attention of judges and spectators alike. These achievements highlight the strength of sustainable thinking, creativity and collaboration.

Gold Winner: Bahtera Perindu - Advisor: Dr. Sharifah Abdullah

Bronze Winner: The Archgirls - Advisor: Ir Dr. Nur Syahiza Zainuddin

Three additional teams represented FKA UiTM with strong spirit and creativity:

- Group SASAB - Advisor: Ts Dr. Nurul Rabitah Daud
- Group Indeterminate Squad - Advisor: Ts Dr. Irma Noorazurah Mohamad
- Group A Rafterers - Advisor: Ir Ts Dr. Nurul Fariha Lokman
