AUGUST 2018

ACKNOWLEDGEMENT

First of all, a very grateful to God with His blessing our internship and this report was able to complete. Then, our sincere appreciation to all that who are involved in giving us support, an advice and also encouragement during our studies. Also to all lecture that giving us knowledge whether in direct or indirect form.

The most important person who is our parents that never gives up to support us whether in words or our needed in order to face the challenging world even though sometimes they not solving our problem but they always giving an solution for every problem that we have.

Last but not least, our appreciation to Universiti Teknologi MARA (UiTM) and Sawit Kinabalu to allow us doing our internship for 5 weeks. Even the duration is limited actually, they giving permission to do so. Also, we appreciate the staff and our supervisor during the internship which is Mr. Abdul Rahman Bin Ali because giving us more experience and advice during the practical.

Thank you.

1.0 INTRODUCTION

Figure 1: SAWIT KINABALU LOGO

1.1 Agency Background

Sawit kinabalu berhad (formerly registered) was formed when the State Government of Sabah, in its continuing efforts to encourage the people of Sabah to assume a more responsible role in the growth of the State, decided to corporatize the Sabah Land Development Board (SLDB).

VISION

To become a major producer of palm oil centered in Sabah and property developers.

MISSION

Creating sustainable value of palm oil and property-related with business.

CORPORATE VALUE

Integrity, Professionalism, accountability synergies, concern and responsibility.
