## BERITA UTAMA GRU2025

04/11/2025 / RANKING UiTM

The banner features the logos of Universiti Teknologi MARA and QS World University Rankings at the top. The main text reads "Congratulations, UiTM!" followed by "Ranked 116" in large yellow font. A circular badge indicates "ASIA IN THE TOP 150 2026". Below this, it says "QS World University Rankings: Asia 2026". On the left, it states "Top 8% of Universities in Asia". In the center, under "Exceptional Achievements:", there is a list: "International Research Network", "Academic Reputation", and "Employer Reputation". On the right, it says "Overall Score Improved by 17%". At the bottom, there is a logo for "UiTM di hatiku" and the Malay slogan "أولمها تقوى موليا". The background shows a modern university building.

SHAH ALAM, 4 November 2025 – Universiti Teknologi MARA (UiTM) ranks 116th in QS World University Rankings: Asia 2026, marking its rise into the top 8% of universities in Asia and reaffirming its leadership in impactful education and research. The 2026 edition of the QS World University Rankings: Asia evaluated 1526 institutions, including 550 new entrants. Despite intense competition this year, UiTM recorded a 17% increase in its overall score compared to the previous year, reflecting a clear trajectory of growth, excellence, and resilience in an increasingly competitive higher education landscape.

UiTM continues to excel across key indicators, leading in the International Research Network with an outstanding score of 98.3, followed by Academic Reputation at 89.9 and Employer Reputation at 89.8. This attests to UiTM's strong global collaborations and growing recognition among peers and industry leaders. Notably, the Staff with PhD indicator recorded a remarkable fivefold increase from last year's score. This highlights UiTM's strategic focus on strengthening academic capacity through continuous professional development, research excellence, and talent cultivation.

Vice-Chancellor Professor Datuk Ts. Dr Shahrin bin Sahib @ Sahibuddin expressed immense pride and gratitude for the achievement. "Being recognised among the top 8% of universities in Asia is a truly remarkable achievement for UiTM. Every achievement we make is built on the spirit and effort of *warga* UiTM, who continue to uphold our mission of developing agile, professional Bumiputeras," he said. With its vision firmly in sight, UiTM remains committed to advancing excellence in education, research, and entrepreneurship, ensuring its continued contribution to national and global progress.
