Shah Alam, 10 June 2025 – The College of Built Environment (CBE), UiTM Shah Alam had the distinct honour of hosting Dato’ Ir. Ts. Izwan Hasli Mohd Ibrahim, Chief Executive Officer of Putrajaya Holdings Sdn. Bhd., for a prestigious Adjunct Professor Talk on 15 April 2025. The Studies of Building Surveying hosted the event at the CBE Lecture Hall, drawing an enthusiastic audience of students and lecturers eager to gain insights into the development and management of Malaysia’s iconic urban landmarks.

Dato’ Izwan’s lecture, titled “Asset Management & Development: KLCC & Putrajaya”, offered a deep dive into the integrated strategies that have transformed these areas into internationally acclaimed urban hubs. With over 20 precincts and significant green spaces in Putrajaya alone, and landmark achievements like the PETRONAS Twin Towers, the talk highlighted the synergy of design, sustainability, and digital innovation in urban development.

Key highlights of the talk included the evolution of Putrajaya as Malaysia’s administrative capital, featuring expansive green spaces and extensive waterfront developments that reflect a commitment to sustainable urban planning. The talk also highlighted the transformation of KLCC, showcasing its iconic landmark projects and cutting-edge infrastructure, which have established it as a world-class destination.

The session concluded with a Q&A segment where students actively engaged with the speaker. This talk provided valuable real-world knowledge and reinforced UiTM’s commitment to bridging academic learning with industry expertise.
